

## We Need YOU!

---

### Donate your:

- **TIME** — Are you a willing laborer?
- **EXPERTISE** — Do you have mad skills?
- **MATERIALS**— Check-in periodically for our wish list.
- **FUNDS**— How about a tax-deductible gift to SCCF?

### And help bring this project to life.

*The Santa Clara Community Foundation is a 501(c)(3) nonprofit public corporation.*

*Our IRS-assigned EIN is:  
86-2194282*

## Santa Clara Community Foundation's

---

# Schoolhouse Project

Together We Build  
Community

---

### School House History

Built in 1901 as the Lower Santa Clara School, this structure served as the primary school for residents of Fir Grove until the brick and mortar Santa Clara Elementary was built in 1932.

### How to Participate

This is a community barn raising project-fully volunteer run and funded. We welcome donations of all types and know that it will take the experience, goodwill, muscle, and enthusiasm of the entire community to bring this to fruition. If you have a talent for raising money or securing grants, your skills are something we can put to good use!

**The Santa Clara Community Foundation** is a 501(c)3 non-profit founded to foster community involvement and investment by organizing and funding projects that benefit the residents of Santa Clara. Through this work we build a more resilient future for ourselves, future generations, and our environment. The schoolhouse project is just one of the many initiatives we support in Santa Clara and we welcome your participation. Consider applying to serve on a committee or on our board of directors. Your donations are gratefully accepted and fully tax deductible.

### Purpose

Our plan is to return it to its one-room glory, thoroughly renovating the interior to create a place for neighbors to hold meetings, host classes and events, gather, and celebrate all that is unique about Santa Clara today. Finally, a community resource available to everyone!
